SUSTAINABLE DEVELOPMENT GOALS

Let's act together

#1 24th October 12.05-12.50

- 12.05 Welcome + Sandwich
- 12.10 Guest Speaker: **[Social Entrepreneurship]** Cynthia Hellen, Founder and CEO of SMPLCT Lab*
- 12.35 Open dialogue QnA
- 12.50 Thanks + networking

Don't miss this chance. The lunch talk will set focus on Social Entrepreneurship and how it is possible to create social innovation as a sustainable business in a for profit model.

*Cynthia Hellen is a serial entrepreneur, founder and CEO of SMPLCT Lab (pronounced "simplicity") which is a socially conscious lab creating sustainable products, services and meaningful human experiences for people, planet and profit.

#2 25th October 17.15-19.30

- 17.15 Welcome & Drinks
- 17.25 Opening of: Let's Act Together. An introduction to a new initiative at DTU. Magnus Schulz and Krestine Mougard // DTU Skylab
- 17.35 Guest Speaker: **[Introduction to the SDGs]** Stine Kirsten Junge // UNDP Denmark
- 17.45 Guest Speaker: **[How does the UNEP DTU partnership support the SDG agenda?]** Mette Annelie Rasmussen // DTU Management Engineering, UNEP DTU Partnership.
- 17.55 Guest Speaker: **[The Global Humanitarian Crisis]** Eva Raabyemagle Senior Advisor, UNHCR
- 18.10 Break & Networking session
- 18.20 Guest Speaker: **[Ecosystem in humanitarian work in Denmark - and how this applies to engineering students]** Marie Louise Pollmann-Larsen // Founder InnoAid.
- 18.40 Guest Speaker: **[Impact factors on product development in the humanitarian sector]** CEO Jacob Christensen // Evershelter Aps
- 19.00 Sandwich & Networking (Project Bazar)
- 19.30 Farewell

Join us for this event if you are curious about the humanitarian sector and have interest to find a new project to work with. Listen to the story of a Danish company and their work within the humanitarian sector. An NGO will give insight into how engineering students can be key to development projects. The UNEP DTU partnership will place a context to how DTU is involved in different initiatives. UNDP will introduce the SDGs. UNHCR gives an overall view on the global humanitarian crisis. Meet and learn more about the new DTU SDG Ambassador corps and become part of it!
